

# Jeremy Murphy - Engineer / Assistant

Jeremy began his career at CTS Lansdowne studios in 2004 as assistant engineer training under chief engineer Chris Dibble. He quickly gained valuable experience working on many film/TV scores as well as album work with high profile producers and artists.

He joined Angel Studios in October 2006 and since then has worked on many major film scores, such as *Nine*, *Letters To Juliet* and *Green Zone*.

As well as film scores, Jeremy has worked on varied TV and album projects from Jazz and Big Band albums such as *Guy Barkers' The Amadeus Project* through to rock and pop with artists like *Jeff Beck*, *Cat Stevens* and *Robbie Williams*.
